Mother's Day Stall & Raffle

Thank you to our Parents & Friends who once again organised our Mother's Day stall and raffle, providing the opportunity for our students to purchase something special for that special person in their lives.

Congratulations to the lucky winners of our Mother's Day Raffle: Destenee, Zac, Phoenix, Jake & April, Jessie, Alleasha, Shelly Bezzant, Vivienne & Mia.

Bunnings BBQ Fundraiser

Thank you to our wonderful volunteers at our Bunnings Fundraiser on Saturday: Damian Mason, Nigel Proctor, Toulia & George Athanasopoulos, Steven, Irene & Jack Athanasopoulos, Sarah Arnold, Renee & Ashley Smith, Christine Mountney, Christel Lemmon, Stephanie Wood, Simone Bevan, Cathy Valkanis, Mark Olszewski, Rowan & Sarah Parkyn. We raised approximately \$1,000 (profit) on the day. Congratulations to our lucky hamper prize winner, George Athanasopoulos.

Safety Reminders

It has come to my attention that some parents and caregivers are not driving in a safe manner around our school at drop-off and pick-up times. Please ensure that you are driving slowly, only parking in designated car parks and watching out for students who are walking home, at all times. The carpark is for teachers and visitors only and it is extremely dangerous for parents to park here when students are exiting the school.

I also would like to ask parents of children who walk home to discuss safety with their children. Please remind them to cross at the designated crossings and only speak to people whom they know. All classes are currently participating in lessons on Safety. This includes Body, Road and Cyber Safety.

The safety of all children is the responsibility of the entire community

Parent Meetings

We encourage parents to meet with teachers either formally or informally. However, it is not suitable for parents to conduct lengthy meetings in the morning before school. This is the time when teachers prepare for their day.

If you wish to make an appointment with a teacher please arrange this with them personally or through the office.

School Uniform

Kingsbury Primary School has a uniform policy. Currently many students are not wearing correct school uniform. I understand that uniforms are occasionally in the wash but this should be a once off only.

Teachers have been directed to monitor the wearing of school uniform when they mark the rolls each day and students will be reminded that they will need to be in uniform by the next day. Students not in uniform will be provided with an alternate jacket or jumper from the second hand collection to wear for the day. No student will be permitted to attend sports or excursions unless they are wearing the correct uniform. If you have concerns around this or need further support please contact Kath Skinner or myself through the office. I encourage everyone to be proud of our school and its colours.

Thank you for supporting our school.

What is Education Week?

Education Week is an opportunity for all primary and secondary schools and early childhood services to showcase the work they are doing for students to help ensure healthy minds and bodies. The week aims to profile and celebrate everything from sport, dance, mentoring, yoga, meditation, reading, and art, to camps, excursions, breakfast clubs, healthy canteen menus, stress management and resilience; and more.

KINGSBURY PRIMARY SCHOOL OPEN MORNING

We will be holding our whole school open morning on Tuesday 23rd May, from 9.00am—11.00am, in celebration of Education Week. We are inviting our current parents/carers/grandparents from 9.00am—11.00am and our new Prep parents for 2018 from 10.00am—11.00am, to come along and see the school programs running and student's quality work on display.

It does mean a lot to your child, to have you come and see them 'in action' learning at school. Please keep in mind that this is not parent teacher interview time, but an opportunity to see your child in their class during the day.

A morning tea will follow in our School Library, from 11.00am—11.30am. Everyone is welcome to attend.

Physical Education News

It has been fantastic to meet the passionate students of Kingsbury Primary School through Sport and see them engage with the Physical Education program with enthusiasm, positivity and a "can-do" attitude.

This term sees lots of exciting sports events for the school, including:

- ▶ Weekly Interschool 'Winter' Sport competition for our Year 3-6 students in Netball, T Ball, Football and Australian Rules Football.
- ▶ District and Divisional Cross Country for Year 3-6 students.

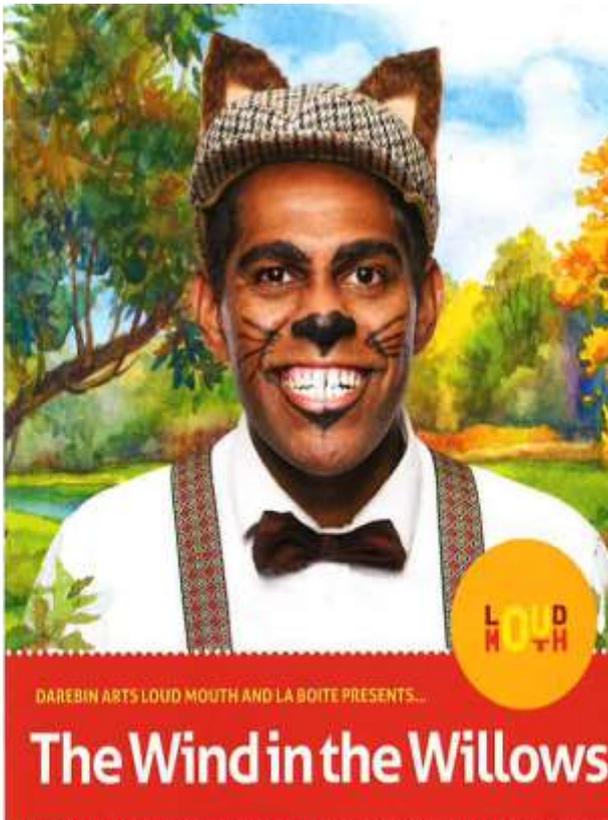

Kingsbury has been lucky to secure funding through the *Sporting Schools* initiative, and will put this grant towards a Gymnastics program for our Prep-Year 2 students.

Coaches from local Gymnastics club, *PIT Gymnastics* will provide a program which will further each student's ability to execute Fundamental Motor Skills in sequences through an entry-level program titled *Launchpad Gym Skills*. These sessions will run for four weeks, starting in Week 7 (May 29), and will be run during classes' regular weekly P.E time with myself.

If you have any questions about any of our events or programs in Physical Education, please don't hesitate to contact me at the school or by email perez.jayden.j@edumail.vic.gov.au

Year 6/7 Transition

Just a reminder to Grade 6 students and parents that the Year 6/7 transition forms need to be returned to school as soon as possible. Please do not be late returning these forms, as Mr Bolton is required to send these transition notes out to the local secondary schools straight away.
