***From the Principal,***

***Congratulations!***

Mr Chris Brown has been a member of our School Council for more than 10 years, including 9 years as President.

At our School Council meeting last week, Chris was presented with an award from the Victorian Minister for

Education that recognised his outstanding achievement and his contribution to Kingsbury Primary School. On behalf of the school and the current School Council, I thank Chris for his ongoing and tireless work. Well done!

***Song Room Concert***

I would like to take this opportunity to celebrate the wonderful display of learning that I saw on Wednesday at our Song Room celebrations. Our P-4 students enjoyed sharing their songs with us, complete with wonderful actions and great enthusiasm.

The performance was interspersed with some wonderful stories around our Year 5/6 students and their family identity presented using digital technology. I saw many mums and dads in the audience with a tear in their eyes as they revisited their life stories. Many families came to Australia from a country overseas and they are all proud to now call Australia home. How amazing it was to see so many families at our school. There were so many of you that we ran out of chairs! Thank you for coming and sharing with us and for the feedback you gave us.

There will be another opportunity to share your child's learning next week at our Student-led Conferences. These will not be typical parent/teacher interviews. Your child will be presenting to you and with support from the teacher, sharing what they have learnt this semester and what they need to work on next. Reflecting on learning and taking feedback from others have been identified as a powerful way of students investing in their own learning experiences. I look forward to seeing you there.

***School Vandalism***

Unfortunately this week we have fallen victim to what appears to be some random vandalism and/or attempted thefts. Several teacher cars were broken into and damaged on Tuesday, in the staff carpark. This is extremely troubling and disappointing. I encourage any parents who are dropping off students, attending aftercare or visiting the school to let office staff know if they see anything suspicious happening in or around the school.

I am particularly concerned about weekends and school holidays. If you live near the school, I would appreciate if you could keep an eye out over the holidays for any unknown people on the school grounds. Sometimes even just driving by or walking through the school grounds can be a deterrent. It is important that we all love our school and care for it.
