##### ***Friday Fun Days***

Our first Friday Fun Day will be held tomorrow, Friday 4<sup>th</sup> August at 2.45pm. All of our kinder children are welcome to attend and get ready for life as a Kingsbury Kid. Children will participate in some fun activities in the prep classroom and parents can have a cuppa and observe and ask questions. Please come and join us.

##### ***Professional Development***

On Tuesday, I took three staff members to participate in a Professional Learning opportunity. We have been granted funding to participate in a Department of Education and Training program called Respectful Relationships. This is a new initiative for 2017 and has been implemented as a response to family violence by the Andrews State Government. All staff, students and community members are expected to behave respectfully in our school. Curriculum will be implemented across all classrooms and in line with our Berry Street Education Model, students will be encouraged to develop positive relationships with each other. I look forward to sharing more with you as resources and programs are rolled out.

##### ***School Census***

It is important for future planning for 2018 that we know how many students are coming to Kingsbury. Our funding budget for 2018 is based on enrolment predictions in August. If you have not enrolled your 2018 Prep child or know of families who are intending to enrol students, please contact us as soon as possible. Planning for 2018 has already begun.

##### ***Swimming Program & Year 3-6 camp***

Term 3 is flying by and soon it will be time for camp and swimming. Thank you to all those parents who have come and made payments this week. It makes it much easier for administration staff when this is done early. Did you know that you can set up a payment plan for camp? That way you can pay something each week or fortnight. Talk to Toula or Silvia to arrange this plan as soon as possible to ensure your child is able to attend. At this time, we also remind students of the behaviour expectations for camp. We expect outstanding behaviour on camp. Staff encourage students to challenge themselves, try new activities and above all, build outstanding relationships with each other. Please discuss our expectations with your child to encourage them to be the best that they can be. Expressions of Interest for camp and swimming should be returned as soon as possible to assist us with planning and numbers.

##### ***Parent Opinion Survey***

This week invitations were sent out to a random sample of our parents to complete the Parent Opinion Survey for 2017. For the first time, the survey is online. If you are one of the parents who have received an invitation please go on to the website and complete your survey. We appreciate your honest feedback so we can make improvements to teaching and learning at our school. If you do not have access to a computer at home, please ask administration staff to log you onto one of our school computers. Once you have completed the survey please notify us so that we can include your name in our raffle draw to win a lovely prize. Your children will be entitled to a free Zooper Dooper from the canteen. The vouchers can be collected from the office.

***Thank you for supporting our school.***

If your place is anything like mine, I know many of you won't have any trouble being eaten out of house and home by your kids, so if you (or Nana or Grandpa or next-door-neighbour) do find yourself at Woolworths just follow these three simple steps:

#### Shop

Earn one sticker for every \$10\* spent at Woolworths.

#### Stick

Complete a Sticker Sheet.

#### Give back

Drop the Sticker Sheets at your school or local Woolworths.

We will have plenty of extra sticker sheets here at school. Last time we were able to collect well over 50,000 stickers so it would be pleasing to go beyond that this year! The more points we earn, the more we can redeem from a choice of over 10,000 educational resources including mathematics and English resources, art & crafts materials and much, much more! We are grateful for your support and look forward to a successful program.

### Physical Education News

Welcome back to a very busy term!

We say goodbye to our weekly Winter Sports fixtures, and add in lots of tournaments and gala days. With the additions of camp and swimming towards the end of the term, there is plenty on offer for our students to take advantage of! Basketball & Soccer tournaments for Year 3/4 and Year 5/6 students at Reservoir High School and Kanga Cricket Gala Day for Year 3/4 students.

All students completed the St. Johns 'First Aid in Schools' program last Friday, learning valuable new skills to keep themselves and others safe. We are also lucky to have coaches from Melbourne City F.C visit our school in Week 5 (Prep- Year 2) and Week 6 (Year 3-6) for soccer skills clinics with our students.

Once again, we have been lucky to secure funding through the Sporting Schools program. This term, we are in the process of organising tennis lessons for our Prep- Year 2 students over a four-week period later in the term. This will be at **no cost to students**. More information will be published in the newsletter once details are confirmed.

If you have any questions about any of our events or programs in Physical Education, please do not hesitate to contact me at the school or by email [perez.jayden.i@edumail.vic.gov.au](mailto:perez.jayden.i@edumail.vic.gov.au)
