Parent Opinion Survey

Invitations to participate in the Parent Opinion Survey were sent out to randomly selected families. Results will be used to inform and direct our future school planning and improvement. The survey is conducted online by ORIMA Research and should take approximately 15 minutes to complete. ***The survey will be open from Monday 7th August—Sunday 27th August, this has been extended for a further week.*** If you do not have access to a computer at home, please ask administration staff to log you onto one of our school computers. Once you have completed the survey please notify us so that we can include your name in our raffle draw to win a lovely prize. Your children will be entitled to a free Zooper Dooper from the canteen. The vouchers can be collected from the office. A big thank you to those families who have already completed the survey.

Parking around our School

Just wanting to give families an update on our dealings with the City of Darebin regarding parking fines and traffic management around our school. Please be mindful of the traffic signs/parking signs and understand their rules, so that there is no continued risk of being fined while ensuring the safety of our students and families during drop off/pick up times. If you see issues or behaviours that cause you concern please notify Darebin Council directly. Unfortunately, the school has no control over parking or driving outside school grounds.

Swimming & Camp payments

We are in the final stages of planning both of these events. Please return all medical forms (Camp medical, with permission to administer Panadol is different to that of the Swimming medical) as soon as possible, together with any monies outstanding.

ES Staff

Last week I acknowledged the outstanding work of our Education Support staff. I was remiss in not acknowledging Jennifer Watson, who works in our Prep classrooms. I apologise to Jennifer for leaving her off my list and I thank her for the work that she does to support teachers and students in the Prep area. She is a valued asset to Kingsbury Primary School.

Student Work

Lastly, I would like to acknowledge the wonderful work of one of our students. You can find Ryder Vo's description of his hologram later in the newsletter. Well done Ryder.

Woolworths Earn & Learn 2017

Dear Parents,

This year we will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school, all we need you to do is shop for your groceries at Woolworths.

From Wednesday 26th July to Tuesday 19th September or while stock lasts, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every \$10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it's complete, the Sticker Sheet can be dropped into the Collection Box here at the school or at your local Woolworths.

At the end of the promotion, we'll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library. If you'd like to know more visit woolworths.com.au/earnandlearn.

Congratulations to Keon Park Stars JFC who won the Under 12 Silver division premiership in the Northern Football League on Sunday. After taking an early lead against Northcote Gold, they lead from start to finish to record a big victory- 10.7.67 to 3.3.21. Well done to all the players, coaches, support staff, family and supporters, including a number of families in our Kingsbury community.

How To Make A Hologram Work

You'll need: A hologram or just make one yourself, a bit of blue tack if doesn't stand up and A laptop of any type.

Sign up on your laptop (or pc or computer).

After signing in, type in search bar "top 5 YouTube holograms" then get rid of the YouTube part but don't get rid of the other parts, keep them and right click the "top 5 holograms" to copy.

Press the top one because it's to get on to YouTube and on the search bar of YouTube p then paste by right clicking the search bar and click "paste" then press enter or the search button.

Click on one of the YouTube videos and put the back of the laptop's screen and put the hologram on the middle of the YouTube vid and if doesn't stand on its own then put the blue tack on the bottom and it should

stand on its own and to watch the hologram lean on the bottom of your legs and knees or crouch down and enjoy watching!
