

Kingsbury Kids playgroup

At Kingsbury Primary our Kingsbury Kids Playgroup has enjoyed another busy and successful year of fun, play, activities and events for families of pre-schoolers within our wider community.

Mum, Dads and extended family from many diverse cultural backgrounds have taken the opportunity to join in play, craft activities and listen to story time with their children.

We are fortunate to have a very welcoming and supportive group of parents. It has been lovely to see families connect and share quality time together.
